

Case No CEDUC-24-5136

25 November 2025

Mr Tony Sultana
Principal Permanent Secretary
Office of the Prime Minister
Auberge de Castille
Valletta

Dear Mr Sultana

Thank you for your reply of the 19th November 2025 to this Office's letter to the Prime Minister of the 10th July 2025.

It is noted with regret that your letter adds nothing new to the situation of the complainant and others in a similar position as set out in the Final Opinion of the 30th May 2025 and in particular in para. 12 of that Opinion. Your letter, in fact, reinforces this Office's views as communicated to the Permanent Secretary MEYR on the 9th of July 2025.

Your letter of the 19th instant and this reply will be communicated to the complainant and to the Speaker of the House of Representatives.

Yours sincerely

Vincent A De Gaetano
Commissioner for Education
