

Case No UT 0030

8 February 2021

The Hon. Prime Minister
Office of the Prime Minister
Auberge de Castille
Castille Place
Valletta

Hon. Prime Minister

Complaint by [omissis]

I refer to this Office's letter, addressed to your kind self, of the 21st August 2020 in connection with the Final Opinion of former Commissioner Mr Charles Caruana Carabez of 6 January 2020 (copy of the opinion enclosed for ease of reference).

Once more I write in the hope that the matter can be resolved through your good offices, thus obviating the need of having to report to the House of Representatives in terms of Article 22(4) of Cap. 385.

May I, for the sake of completeness, point out that from the investigations which this Office carried out, the complainants had been specifically referred to this Office by the then Minister responsible for Education, the Hon. Evarist Bartolo, who at a meeting held on the 25th July 2019 (present, apart from the complainants and the Minister, also the then Director General, Mr Stephen Cachia and the Head of College Network, Mr Victor Galea) had in clear terms stated to the complainants that he (the former Minister for Education, Evarist Bartolo) would comply with the decision of the Commissioner for Education.

Yours sincerely

A C Mifsud
Ombudsman
